8 members liked it and 1 didn't.

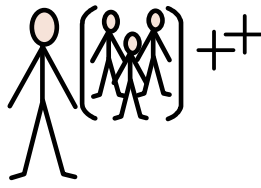

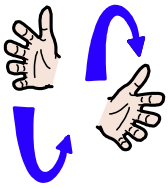

The members said

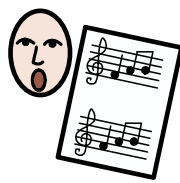

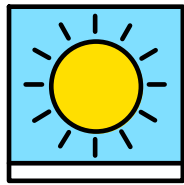

they liked the cafe, singing and mixing

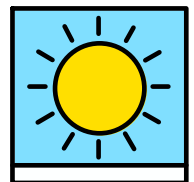

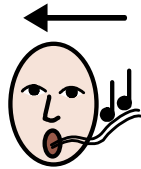

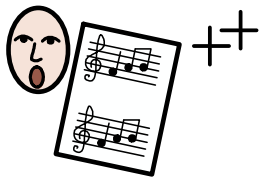

with other classes. Connor didn't like

signing. A few members said they liked

the Makaton day song, but the

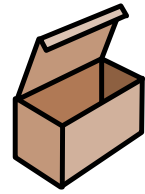

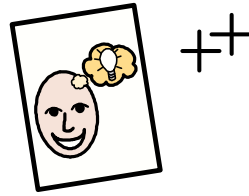

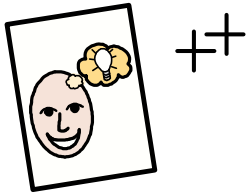

others songs they sang on the day

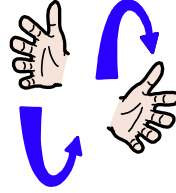

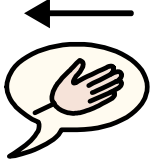

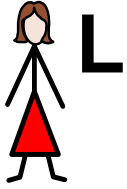

were too babyish.

3) No suggestions in the suggestions box.

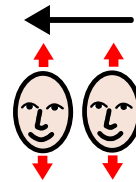

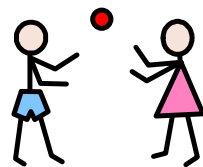

Lucy suggested having a sign on the

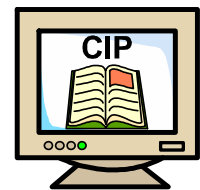

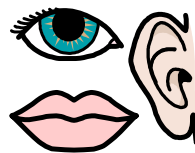

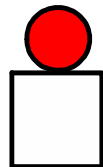

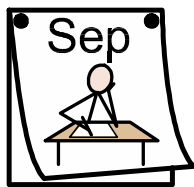

playground for if you are unhappy. If you

stand there someone will come and

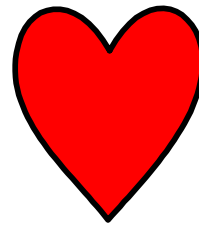

ask you to play. All agreed to do

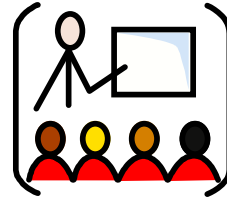

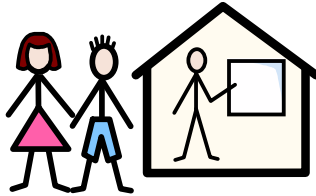

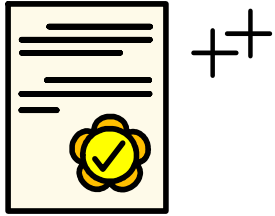

from September - on communication in print.

voted to change these to leaves on

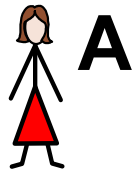

a tree, with stars on the display
