

School Council

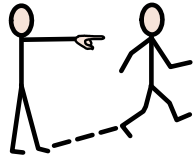

Minutes

1/4/2019

1

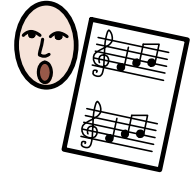

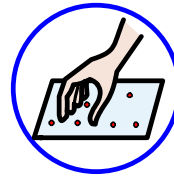

1) We answered questions about science lessons in school.

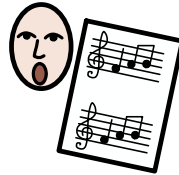

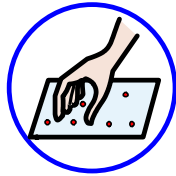

Georgia will send these to Vicky Bridge.

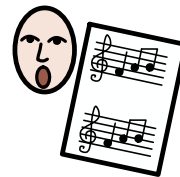

2

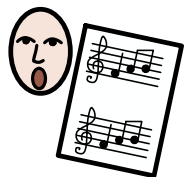

2) We listened to the school rights song

and the UNICEF rights song. We voted we

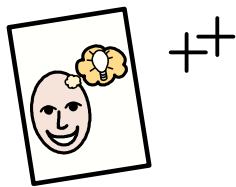

didn't want to write our own new song and would

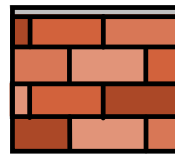

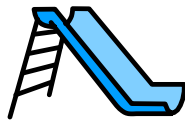

use the UNICEF song instead.

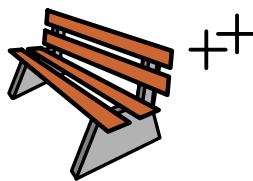

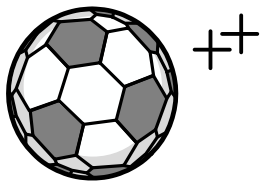

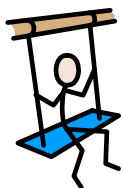

3

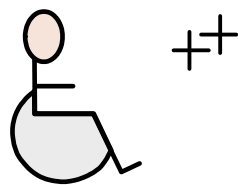

3. Pupils brought suggestions for the

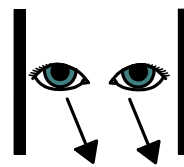

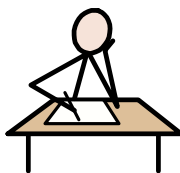

secondary playground - slide, climbing wall,

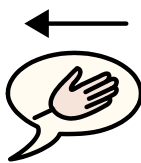

swings, footballs, benches, equipment for

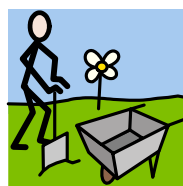

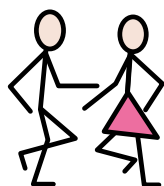

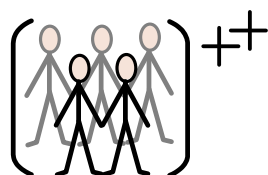

students in wheelchairs, covered table sanding

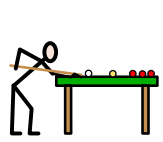

and painting. Staff working group to look at.

these. One class suggested more lunchtime

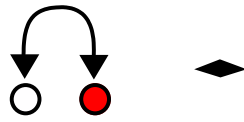

groups such as dance, gardening,

pool

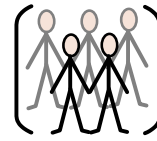

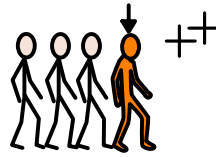

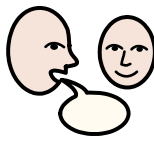

competitions

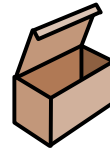

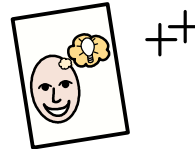

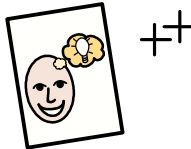

or

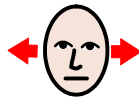

a playstation group.

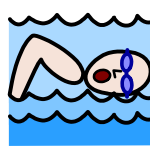

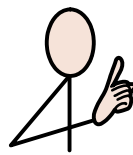

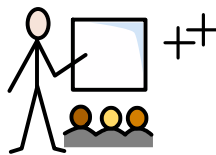

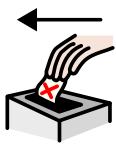

Georgia to talk to the leadership team.

Some suggestions in the suggestions box were

for staff and not relevant to pupils. We

voted if classes should swim in clothes to

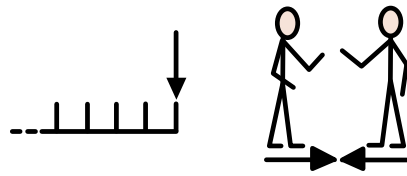

practice what this is like. We had a long

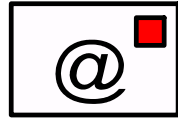

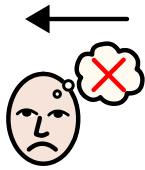

talk about this and decided yes.

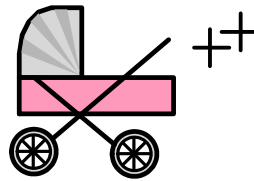

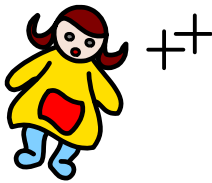

4

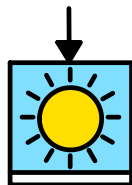

4. From the last meeting:

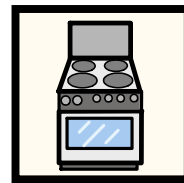

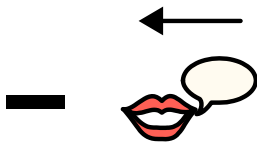

James forgot to email staff to ask

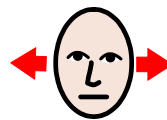

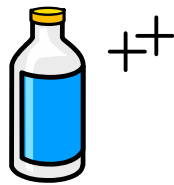

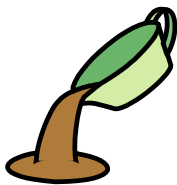

for any dolls or prams they could

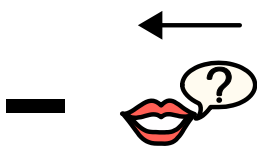

donate - he will today.

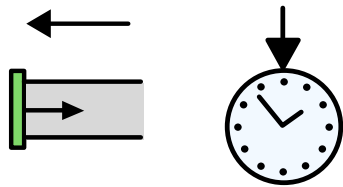

Anthony - spoke to the kitchen and they

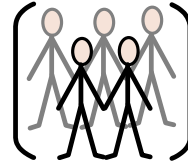

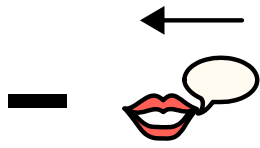

will use sauce bottles not sachets now.

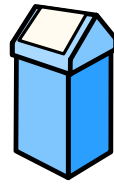

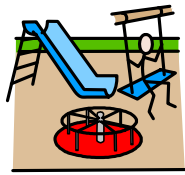

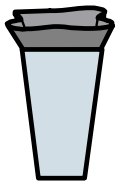

Reuben - asked Claire Jones about recycling

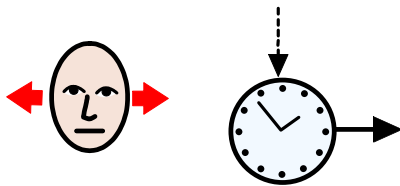

this has started now.

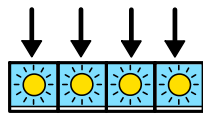

Ellie - spoke to the site team about a

bin bag in the playground bin, it was done

then but not since. She will ask them

to do this everyday / week.
