## Topic - Leisure

 <p>Functional English</p>	<p>Students use functional English skills throughout the week, reading instructions/their work, Zumba word games etc. We write some news every morning and read it to the class. We will continue to use laptops to do our writing. Students use word, power point, publisher or writing with symbols. We write for a range of reasons such as making lists, writing their ideas, searching for a picture on the internet and writing about it.</p>
 <p>Functional Maths</p>	<p><b><u>Position and direction</u></b> We will make and follow some maps, we will direct each other to locations using positional and directional language.</p> <p><b><u>Measurement &amp; number</u></b> We will continue to bake different items, working on practical maths skills covering these topics.</p>
 <p>Environment</p>	<p><b><u>Science - habitats &amp; living things</u></b> We will explore different habitats around school and examine mini beasts. We will look at living things and sort what is alive/never alive and was once alive.</p> <p><b><u>Geography</u></b> We will be exploring habitats, around the world and the animals that live there. We will look at rocks and how they are formed.</p>
 <p>Computing</p>	<p>As well as using laptops in English we will use iPad for different lessons. We use these to share in r-time, we use them with interactive books and allow the students to work through the apps independently. Students will also program beebots to get to a specific location.</p> <p><b>Online safety lesson</b> - learning how to keep ourselves safe online.</p>
 <p>PHSE</p>	<p><b><u>Keeping safe</u></b> We will cover a range of topics such as road safety, how to be safe near water, safe and dangerous places, sun safety and strangers. We will work on the knowledge that students already have and build upon this.</p> <p><b><u>Hobbies</u></b> We will look at what hobbies are and what students like to do. We will compare our hobbies to our friends.</p>

 <p><b>ILS</b></p>	<p>Pupils will work on these skills throughout the week, trying to become as independent as possible. They will work as a team to prepare their dinner once a week. They will follow simple recipes and use a wide range of kitchen equipment, thinking about how to keep safe whilst cooking.</p>
 <p><b>Community</b></p>	<p>Pupils will continue to run our community café where they design invites and ask classes around school to come to it. They will serve other students and work on being a good host.</p>
 <p><b>Creative &amp; Expressive Arts</b></p>	<p><b><u>Art &amp; DT</u></b>  We will create items using a range of materials and media. We will look at art from different countries and copy their style.  <b><u>Music</u></b>  We will explore music that students enjoy and look at a range of types. We will talk about the difference between them.</p>
 <p><b>Sport &amp; Exercise</b></p>	<p style="text-align: center;"><b><u>Summer 1 athletics</u></b></p> <p style="text-align: center;"><b><u>Summer 2 outdoor and adventurous activities</u></b></p>
 <p><b>Enrichment</b></p>	<p><b><u>Summer 1 team games</u></b>  Students will do things as a team such as games, baking, talking or music.  <b><u>Summer 2 café</u></b>  Each class will explore the world of work and be responsible for running a café. Students will use real money to pay for items and work on social skills.</p>
