

Middle

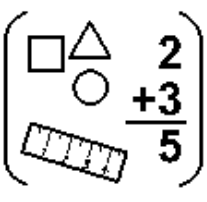

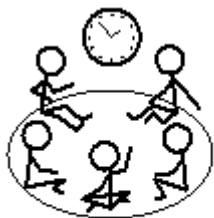

Curriculum

Coverage

Summer 6 - Leisure

 <p>Functional</p>  <p>English</p>	<p>Magazine and newspapers</p> <p>We will be looking at a range of newspapers and magazines and examining their features. We will then be writing our own newspaper and magazine articles.</p> <p>Pupils will continue to have a spelling test each week - please practise the words as much as possible with your child at home.</p> <p>History - Victorians</p> <p>We will be learning about Victorian beach holidays including the Punch and Judy show.</p>
 <p>Functional</p>  <p>Maths</p>	<p>Measurement</p> <p>We will be learning various aspects of measurement through practical activities including weight, capacity, length and distance.</p> <p>Number & Problem Solving</p> <p>We will be using various methods to work out the answers to problems that include multiplication and division.</p>
 <p>Environment</p>	<p>Science</p> <p>Forces and magnets</p> <p>We will be learning about forces and will be doing experiments to test forces and friction. We will also be learning about magnets including what is magnetic and non-magnetic and the two poles of a magnet. We will be making predictions and collecting results throughout.</p>
 <p>Computing</p>	<p>Programming and remote control toys</p> <p>Pupils will continue to learn about programming and why computers need precise instructions. We will learn how to program bee bots and how to debug them.</p> <p>PowerPoint presentations</p> <p>We will be creating our own PowerPoint presentations and using all the different features on Microsoft PowerPoint. We will then present them to the class.</p> <p>Online safety lesson</p> <p>We will continue to learn how to keep ourselves safe online.</p>

PHSE

Lego therapy

Lego therapy sessions lead by an Educational Psychologist learning and practising social and communication skills.

Independent Living Skills

Pupils will be cooking different meals each week. We will be practising life skills through cooking, cleaning, using different equipment, setting the table and hygiene. Each week pupils will vote for a meal to make the following week.

Community

Pupils will continue to visit places within the local community. We will use a range of supermarkets to buy snack and ingredients that we will use to cook our meal on a Wednesday. We will visit local places such as supermarkets, local parks and cafes.

Please ensure pupils have a jacket and suitable shoes every day.

Creative & Expressive Arts

Art & DT

In DT we will be working through the process of designing, making and evaluating to create our own puppets. We will then have a puppet show at the end of the process. We will also be doing some free painting and self-portraits in art.

RE - Taught by PPA cover Neil Amos

Music - Taught by PPA cover Rachel Pillar

PE

Athletics

Practising for sports day during week 1.

Outdoor adventure activities

We will be doing various orienteering and scavenger hunt activities over the term.

Enrichment

We will be visiting the middle school café each week and spending time with the other classes in the department. We will also use money skills to purchase our snack from the café.

If you have any questions please feel free to contact myself at school.

Many thanks,

Samantha Webb
Middle 3 class teacher
