

Middle

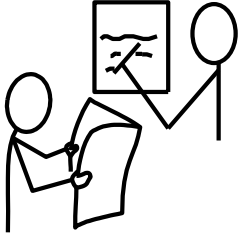

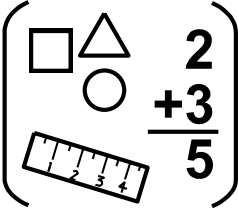

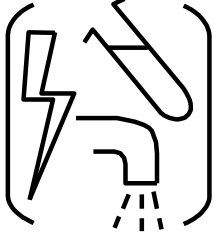

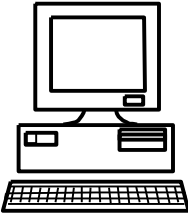

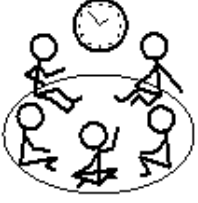

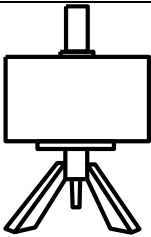

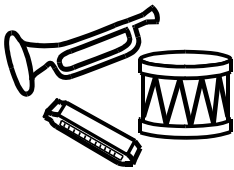

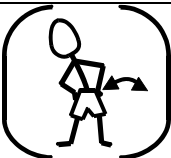

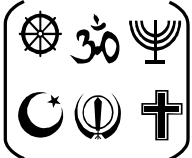

Curriculum

Coverage

Middle 4's topic for the Autumn term is food.

 <p>English</p>	<p>Mark making: Using different mediums to encourage pre writing skills.</p> <p>Communication: Using speech and language techniques which include intensive interaction, eye pointing and augmentative & alternative communication aids to encourage pupils to communicate with others.</p> <p>Stories: Sensory stories to encourage listening and reading skills.</p>
 <p>Maths</p>	<p>Cookery: This multi-sensory activity covers every area of mathematics:</p> <p>Number: Creating a tactile number book and working on counting objects to 5</p> <p>Shape, space and measure: Building up our understanding of cause and effect and anticipation</p>
 <p>Science</p>	<p>Science: Looking at where our food comes from. We will be growing edible plants. We will also look at food groups and changing the look and feel of food through cooking</p> <p>Sensory exploration: Exploring food with all of our senses</p>
 <p>Computing</p>	<p>Computing will be embedded into all subjects. We will try to use a range of ICT within the community such as self-checkouts at supermarkets or the library as well as computers, iPads, interactive whiteboards and the sensory room in school</p>
 <p>PHSE</p>	<p>In PSHE we will be recognising and identifying our friends. We will look at photos of them, work together in pairs and take part in group games</p>
 <p>ILS</p>	<p>We will work on these skills throughout the week, trying to become as independent as possible. We will use the Croft to prepare food. We will follow simple recipes and use a wide range of kitchen equipment. We will look at other life skills such as cleaning and making leisure choices</p>

 <p>Community</p>	<p>We will try to visit places within the local community such as supermarkets, the library, local parks and cafes. We will think about our local community and our place within it. We will also be visiting a school café and mixing with students from other classes to access the school community.</p> <p>Please ensure pupils have a coat and suitable shoes every day although our community day is Tuesday.</p>
 <p>Art</p>	<p>We will use food as a medium for creating art. We will use food as a tool to create printing artwork. We will use food to create paints with different textures. We will also have the opportunity to choose what tools we want to use and express our own opinions of the finished object.</p>
 <p>Music</p>	<p><i>Taught by Rachel Pillar</i></p>
 <p>Swimming & Physio</p>	<p>Following personalised swimming, MOVE and physiotherapy programmes.</p>
 <p>Enrichment</p>	<p>Autumn 1: We will join with other middle classes to take part in group games</p> <p>Autumn 2: We will join with other middle classes to take part in a school café</p>
 <p>RE</p>	<p>Our R.E is delivered over a full day each half term. The topics we will be looking at this half term are Harvest Festivals and Diwali</p>

If you have any questions please feel free to contact myself at school.

Many thanks
Kylie Stevenson
