

Middle

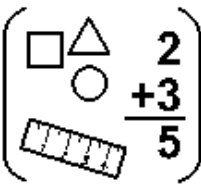

Curriculum

Coverage

Topic - Leisure

  <p>Functional English</p>	<p>Students use functional English skills throughout the week, reading instructions and their work etc. We write about our weekend news every Monday morning.</p> <p>This term in English we will focus on reading for leisure, as a class we will read comics, newspapers and diaries/blogs. Pupils will then write their own comic strip, newspaper article and diary/blog extract.</p>
  <p>Functional Maths</p>	<p><u>Position and direction</u> We will direct each other to locations using positional and directional language in computing lessons. We will also program beebots with directional instructions.</p> <p><u>Measurement (volume, capacity and weight)</u> We will continue to bake different items, working on practical maths skills covering these topics during community lessons. We will be working out volume and capacity problems.</p> <p><u>Money and Time</u> Pupils will continue to work on money skills. Pupils will be working on time skills.</p> <p><u>Number (fractions and addition)</u> We will be solving addition problems. We will be finding $\frac{1}{2}$ and $\frac{1}{4}$'s of shapes and understanding the signs.</p>
 <p>Environment</p>	<p><u>Science</u> <u>Habitats & living things</u> - We will explore different habitats around school and examine mini beasts. We will look at living things and sort what is alive/never alive and was once alive. We will also be learning about different habits around the world.</p> <p><u>Keeping Healthy</u> - We will learn about how we can keep our bodies' healthy including diet and exercise.</p> <p><u>Geography/ History</u> <u>Dinosaurs</u>- We will be learning about dinosaurs, rocks and fossils.</p> <p><u>Transport and travel</u> - We will be learning about different forms of transport now and in the past. We will also be learning about different types of holidays now and in the past.</p>
 <p>Computing</p>	<p><u>Programming</u> Algorithms - What is an algorithm? Why are instructions important? Creating our own visual instructions and programming another pupil to do something. Pupils will also learn how to program bee bots.</p>

	<p>Online safety lesson - learning how to keep ourselves safe online.</p>
 <p>PHSE</p>	<p>Keeping safe We will cover a range of topics such as road safety, how to be safe near water, safe and dangerous places, sun safety and strangers. We will work on the knowledge that students already have and build upon this.</p> <p>Hobbies We will look at what hobbies are and what students like to do. We will compare our hobbies to our friends.</p>
 <p>ILS</p>	<p>Pupils will work on these skills throughout the week, trying to become as independent as possible. They will work as a team to prepare a snack once a week. They will follow simple recipes and use a wide range of kitchen equipment. Pupils will be thinking about how to keep safe whilst cooking.</p> <p>This term for our careers curriculum, we will be learning about the job role of our school catering team. We will be interviewing them and visiting our school kitchen to see what happens and how our dinners are prepared.</p>
 <p>Community</p>	<p>This term we are working with M2 class. We will be working in two mixed groups. Pupils will have the opportunity to work with peers they normally only see at social times. To ensure pupils experience a range of community activities we will be working on a 2 week rolling program. Pupils will have the opportunity to visit the local community where they will go shopping and have snack in the cafe. They will also spend the other week in school working together and having their own cafe in class.</p>
 <p>Creative & Expressive Arts</p>	<p>History, Art & DT We will learn and take part in different crafts and hobbies. We will also be learning about the history of the punch and Judy show. We will be focusing on the skill of sewing to make our own hand puppets, using felt. Pupils will also get the opportunity perform a punch and Judy show to the rest of the class.</p> <p>Music and RE Taught by Rachel Pillar.</p>
 <p>Sport & Exercise</p>	<p><u>Summer 1 athletics</u></p> <p><u>Summer 2 outdoor and adventurous activities</u></p>

Enrichment

Summer 1 team games

Students will do things as a team such as games, baking, talking or music.

Summer 2 cafe

Each class will explore the world of work and be responsible for running a cafe. Students will use real money to pay for items and work on social skills.

If you have any questions please feel free to contact myself at school.

Many thanks
