

Middle

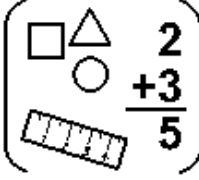

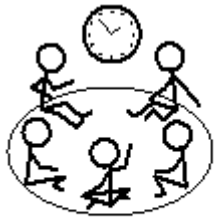

Curriculum

Coverage

Topic - Food

  <p>Functional English</p>	<p><u>Fiction -Charlie and the Chocolate Factory</u> We will be reading and following chapters within the book, watching scenes from the film, using adjectives to describe characters and settings within the story.</p>
  <p>Functional Maths</p>	<p><u>Measure -Money</u> Recognizing different coins and notes and making different amounts to buy snack from our class snack shop.</p> <p><u>Number</u> Rote counting, recognizing different numerals, ordering numbers and sequencing numbers.</p>
 <p>Environment</p>	<p><u>Properties and Changes of Materials</u> Grouping objects by materials, grouping objects by properties, grouping objects by natural or man-made, grouping objects by their state, reversible and irreversible changes, heating, cooling, dissolving and separating.</p>
 <p>Computing</p>	<p>We are looking at data handling this term. We will relate it to the topic of food by finding out what are the favourite foods within class for example fruit, flavour of crisps and vegetables! We will also be researching recipes and designing menus.</p> <p>Online safety lesson - we will be learning how to keep ourselves safe online.</p>

PHSE

Taught by Alison Rodgers

We are focusing on how to be healthy this term. Health, diet and exercise. We will be learning about colour coding on food packets; what a healthy diet is; portion sizes and forms of exercise.

We will also be designing healthy meals - breakfast, lunch and tea!

ILS

Pupils will work on these skills throughout the week, trying to become as independent as possible.

This term we are focusing on baking, pupils will work together and follow simple recipes to bake snack for the next day. Throughout the term pupils will use a range of kitchen equipment.

Community

Pupils will be visiting places within the local community. We will visit local places such as town, the library, supermarkets, shops, local parks and cafes.

Creative & Expressive Arts

Art & DT - Chocolate

We will be researching different chocolate bars. We will then design, make and finally evaluate our own chocolate bar and its wrapper.

RE

Throughout the term we will be looking at festivals and celebrations which involve food!
We will be learning about the Harvest festival, the Jewish festival Sukkot and the Hindu festival Diwali.

Music - Taught by Rachel Pillar

This term we will be developing our rhythm skills with the theme of food. This will involve practicing our rhythm skills, making our own rhythms and making rhythmic raps.

Sport & Exercise

Autumn 1 Dance

Pupils will be moving in different ways and developing short dance routines to the Charlie and the Chocolate Factory soundtrack.

Autumn 2 Key skills

Pupils will be working on their throwing, catching and hitting skills.

Some pupils will also follow their individual physio plans during sport and exercise lessons.

Enrichment

Games

We will be working with friends in our school community.
We will be mixing with two other Middle School classes to play computer, interactive and board games.

If you have any questions please feel free to contact myself at school.

Many thanks,

Alexandra Barrett
