

# Ashgate Croft School Homework Challenge!

Class: GW1

Term: Spring 3

Please try and complete at least one piece of homework with your young person from each row. Colour in the square when it has been done! Thank you for your support

Read a murder mystery story.	Recall three facts about a book you have read.	Practice telling a family member your address with post code without a prompt.	Find out three things to do when playing badminton.	Practice counting in 10s to 100.
Count backwards from any number up to 15.	Help to sort knives and forks at home.	Wash and dry the pots at home.	Remind your parent/carer to write in your red book what you have done over the weekend.	Count on from any number up to 50.
Find an example of a cube, sphere, prism and cuboid from home, take a photo and e-mail it to school.	Run on the spot for 25 seconds	Do 15 star jumps	Do 10 press ups	Go for a walk with your family for up to an hour.
Make different amounts from a selection of coins	Order yourself and your family drinks and food at a café.	Weigh out the ingredients to make vegetable soup using grams and kilograms.	Add together all of the ages of your family by putting them into a column and adding the units first, then the tens.	Practice writing your name and address on an envelope.
Tidy your bedroom.	Share with your family what you have been doing at school.	Make a tally chart of your family's favourite chocolate bar.	Find out which drink is the most popular at your house.	Use the mop to clean the floor of one room in your house.
Make a cup of tea with no help.	Serve a meal for you family.	Make a cup of coffee with no help.	Make a sandwich with no help.	Make some toast with no help
