

Ashgate Croft School Homework Challenge!

Class: Purple Term: Spring 3 Topic/Theme: Water

Read your reading book	Complete Lecky compares on http://www.crickweb.co.uk/Early-Years.html	Find items made of glass	Look at seascape painting by Turner
Practice writing your letters lowercase	Measure your garden with strides	Find items made from wood	Mix paint with white to make it lighter
Look at the water module on espresso <i>Login: student10179</i> <i>Password: ashgate</i>	Count as high as you can	Write a list of items made from metal	Mix paint with black to make it darker
Look at books about water	Order coins from 1p - £2	Wet paper and see what happens	Look at lift the flap books
Look at the water cycle	Make values up to 10p/£1/£5	Mix paint/glue with water and see what happens	Learn my left and right
Draw a picture of the water cycle	Coin out 1ps to 10p	Build with Lego bricks	Dance to music
Label the parts of the water cycle <i>(bring to class)</i>	Find objects and order them by weight	Empty and fill containers in the bath!	Look at ocean life on the internet

Please try and complete at least one piece of homework with your child from each row.

Thank you for your support,

Class Teacher
