

Purple Class – Summer 5, 2018

Purple Class have had a very busy term.

We have been to Lea Green and we have had ACES day (All Children Exercise Simultaneously).

The children have been pushed out of their comfort zones climbing high and scrambling up streams. In addition to this we have also worked very hard.

We have been learning all about plants in science and ordering life cycles. The children have been writing descriptions about their amazing trips and we have been building animal habitats in DT.
