

Upper Senior

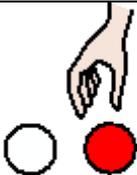

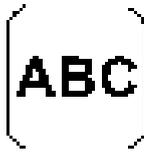

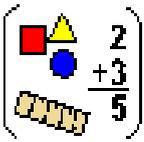

Curriculum

Coverage

In the Autumn Term 2, Upper 1 will be working on the following topics and themes for sessions.

 <p>Community</p>	<p>This year we will be finding out about and using community facilities. This term we will be asking questions about the shopping facilities in Chesterfield. Students will be given the opportunity to shop in a number of different places, for example; shopping in Morrisons for self-prepared meals. They will also visit various cafes to practice their functional English and maths.</p>
 <p>Vocational</p>	<p>This term we will be practising working as a team. We will be making items for the Christmas Fayre and these will include Christmas present labels, jars of sweets and shortbread for the cake stall.</p>
 <p>PSD</p>	<p>This year we will be looking at taking part in daily routine activities. This term we will identify activities that we carry out every day to prepare for trips into Chesterfield town centre. We will also learn about staying safe when out and about.</p>
 <p>Independent</p>  <p>Living</p>  <p>Skills</p>	<p>This year we will be looking at planning and preparing a simple meal.</p> <p>This term we will be making hot meals like roast dinners, cottage pie and a full English breakfast. We will be focusing on ;</p> <ul style="list-style-type: none"> - Planning what to eat and writing a shopping list. - Safely using the hob and oven. - Opening cans. - Chopping and peeling vegetables. - Following simple recipes. <p>We will also be practicing household chores (such as</p>

	hoovering, sweeping, dusting and washing pots) and developing independence around showering.
 <p>Options</p>	In Opportunities this term we will be doing arts and craft activities with a focus on Autumn and printing techniques. It will also include preparing items for the Christmas Fayre.
 <p>sport</p>	The sport for this term is orienteering and team games. Students will be supported to follow given directions, engage in teamwork and develop their stamina and gross motor skills. We will also be walking off site and developing safety skills around roads.
 <p>English</p>	This term our topic is The Media. During this half term we will be looking at TV programmes and films chosen by our students. Our focus will be reading.
 <p>Maths</p>	Money: we will be focusing on naming the coins and combining coins to make simple totals. We will be having a snack shop in class to practise using real coins. Time: we will be looking at sequencing daily events and reading simple times on a clock. Measurement: we will be weighing, measuring and counting out ingredients during cooking sessions in The Croft and baking in Vocational lessons.
 <p>Science</p>	This term we are studying the topic 'Classifying and Sorting Materials'. We will look at different materials and classify them according to their properties. We will also look at why things are made out of a particular material. The students will have opportunities to carry out exciting experiments and make careful observations.

If you can send in any items to support the topics studied it would be much appreciated.

Many thanks,

Sheona and Cath
