

Upper Senior

Curriculum

Coverage

In the Spring Terms 3 and 4, Upper 2 will be working on the following topics and themes for sessions.

 <p>Functional</p>  <p>English</p>	<p>Topic for the two terms is 'Animals' pupils will look at verbs, adjectives, nouns, syllables and the differences between commands and statements. This will be done using a variety of different texts including Poetry by Roger McGough and Fantastic Mr Fox by Roald Dahl.</p>
 <p>Functional</p>  <p>Maths</p>	<p>Shape, position and direction including number problem solving.</p> <p>In the first half of the term we will be looking at shapes in 2 and 3 dimensions, including the properties of each shape, we will be looking for different shapes and how they are used when out in the community.</p> <p>In the second half of the term we will be focusing on position and direction, we will be using our map reading skills and trying out coordinates.</p>

 <p>Functional</p>  <p>Computing</p>	<p>Information technology- Pupils will look at the internet and how we can use pictures, text and sounds in our own Microsoft documents. Pupils will also develop their skills at copying and pasting and saving and retrieval. The class will also continue to focus on internet safety.</p>
 <p>PSD</p>	<p>Pupils will look at daily routines and activities they take part on a daily basis. Pupils will also look at managing social behaviours and identifying situations in which they may need to interact with others.</p>
 <p>Life skills</p>	<p>Pupils will Participate in planning and preparing a simple meal. Pupils will also Identify items which need to be bought regular for daily living and describe how to contribute to a healthy living.</p>
 <p>Vocational</p>	<p>Pupils will be working on an enterprise activity throughout the 2 terms they will each be given a job title and expected to manage their own staff, all whilst hoping to turn the £10 start-up money into much more.</p>
 <p>Community</p>	<p>Pupils will find out about facilities available at a range of different types of community facilities. Pupils will also look at healthy living and what can be done to contribute to a healthy lifestyle.</p>
