

# Ashgate Croft School Homework Challenge!

Class: U2

Term: Spr 3

Topic/Theme:

Animals, Shapes, Inheritance and Evolution, Using Shopping and community facilities.

Point out all the 3D shapes you see when out for a walk.	Count out the correct number of plates and cutlery for dinner.	Work out how much change you should have when buying milk.	See how many cylinders you can spot in the kitchen.	Make a pyramid out of dry spaghetti and marshmallows.
Read your reading book to someone.	Practice your spellings.	Describe an insect in the garden to someone.	Write an acrostic about an animal.	Describe your favourite animal in a paragraph.
Look at old family photos.	Find 3 similarities between 2 people in a family.	Describe what you think a cross between a lion and zebra would look like.	Tell someone how a giraffe is adapted to living in the desert.	Draw and label the lifecycle of a butterfly.
Wash the pots without help.	Lay the table for dinner.	Find a recipe you would like to cook.	Make your own bed.	Make a snack.
Pack your own bag for school without help.	Pack your own swimming bag without help.	Watch the weather forecast	Tell someone something new you learnt at school.	Brush your teeth without a reminder.
Tell someone how you stay safe online.	Identify a safe place to cross the road.	Practise crossing the road	Identify a safe place when in town.	Hold a door open for someone.
Pack a shopping bag correctly.	Find milk in the supermarket.	Help write a shopping list.	Ask for help finding something in the supermarket.	Pay for an item using a £5 note.

Please try and complete at least one piece of homework with your child from each row. Colour in the square when it has been done! Thank you for your support.
