

Upper 4 – Autumn Term 1

In OCR PSD, we have been looking at creating art and craft work. We looked at artists like Salvador Dali and created a piece of artwork in his style.

We also looked at the work of Andy Goldsmith who works with natural material and created our own pieces of natural artwork.

In vocational we have been looking at our rights and responsibilities and created our own class charter and class rules.

In Maths we have been looking at addition and working 1, 2, 3 digit numbers with and without regrouping.
