

Upper 4 – Sumer Term 6

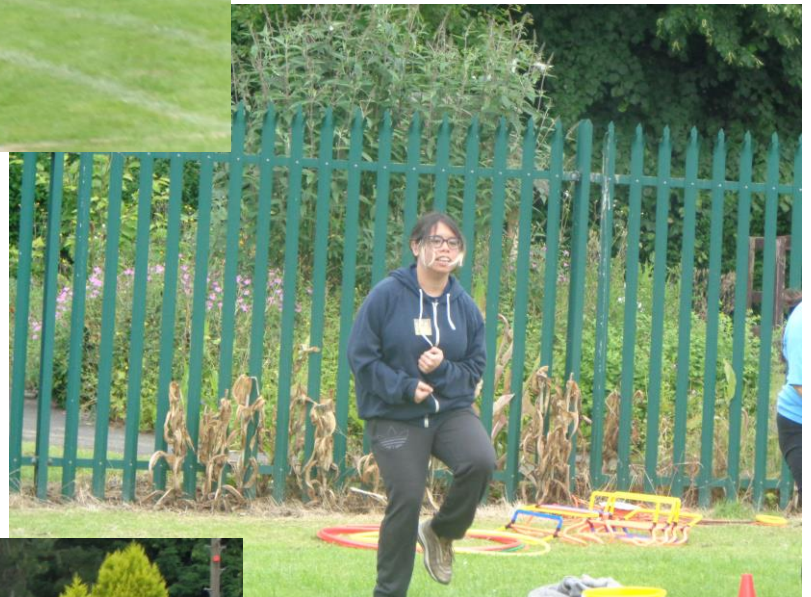

Class trip to Matlock

We decided to go to Matlock for our class trip. We played games in the local park followed by a fish and chip lunch. We then visited Matlock Bath where we had ice cream before visiting the arcades.

Sports Day

The pupils took part in a fantastic morning of competition. Pupils were enthusiastic and appeared to really enjoy themselves. We had many parents/carers attend and the atmosphere was brilliant!

The 'Big Top'

The pupils have worked really hard getting ready for this year's performance. They loved practising the dance routine and wearing face paint creating their own clown design. When it came to performing in front of parents, they all did amazing. Well done Upper 4!
