

'Have a go' Fundraiser Night!

Chesterfield Garland Dancers

Tuesday January 16th at 7:30pm

Chesterfield Garland Dancers invite you to a FREE night of music and dancing to support Ashgate Croft School

Blow away the cobwebs and indulgence from the festive period and 'Have a go' at some **traditional folk dances**. It'll be **good fun, good exercise** and will raise money for a **good cause**.

cakes and refreshments, bric-a-brac, raffle, live folk musicians, dance demonstrations and the chance to dance or play

Chesterfield garland dancers and musicians meet regularly on Tuesdays at 7:30pm at the Methodist Hall on Jawbones Hill.

The group is always happy to welcome new dancers (ladies only) and musicians both male and female. Our current band plays a wide range of acoustic instruments.

The dance style originates from the 'women of the mills' during the industrial revolution, when it was seen as a "refined art".

Donations and proceeds from the night to be given to **Ashgate Croft School**; an area special school. The majority of pupils at Ashgate Croft have severe learning difficulties and would have difficulty coping in a mainstream school. Fundraising plays an important part in ensuring that children who attend get the best possible educational start in life.
