

Ashgate Croft PE and Sport Premium Grant Report for 2015/16

Interventions and Activities	Amount	Impact of interventions	Targeted pupils
To purchase resources for the staff to use at lunchtimes and playtimes including storage. To increase skills levels in pupils and therefore engagement in PE lessons.	£900	This has enhanced the break time and lunch-time activities for pupils in the primary department. Balls and hoops are used constantly improving fine and gross motor skills.	Primary department.
For Primary students to access a minimum of 3 “days of dance” per year. This intended to give ideas to class teachers for their own lessons and therefore an increased confidence.	£465	Pupils were all actively involved in sessions. Staff feedback suggests that sessions were structured well in terms of progression of skills and knowledge and that the staff gained ideas to use in their own dance planning.	Primary department.
To make the PE storage area more accessible and functional. Investment in a new racking system. Improving the functionality of the PE storage making it easier for teachers to locate and put equipment away saving time.	£756	The PE storage area is now better organised and neater, allowing teachers to find and store equipment more quickly.	Whole school.
To have full membership of the Chesterfield Schools Sport Partnership Affiliation. Sustainable access to events and	£750	The school gained information about the sporting events that were put on throughout the year which included specialist events	Whole school.

therefore pupil interaction with other children.		for a range of SEN pupils. The pupils benefitted from these activities in terms of physical development and in socialising with pupils from other schools. CPD events have been arranged through this partnership also.	
To book community transport to enable students of all years to attend sporting events and competitions. If school minibuses are not available.	£200	We have used the community transport bus twice during the year ensuring our pupils were able to access sporting events despite having no school transport available.	Whole school.
All primary students to access 2 days Forest Schools outdoor adventure activities. Cost to cover teachers. This will help transition of pupils who will access forest schools throughout their school lives.	£400	The pupils accessed 2 days of Forest Schools this academic year and have taken part in a range of artistic and holistic sessions.	Primary department.
PMLD and other non-ambulant students to access a 'physical activity day.' Tailored events aimed specifically at PMLD pupils and teachers to increase their knowledge and confidence.	Costs to cover additional adults involved in the day. Planned for Summer 2016.	This activity was focussed solely on PMLD pupils across key stages at school and was designed to engage pupils and staff in Sherborne activities.	Whole school.
Primary school students to participate in ACES day (All Children Exercise	£600 (Adventur Team) £240 (Wheels for all bikes)	Pupils participated in activities such as climbing, canoeing, biking and archery that they do not	Primary department.

Simultaneously). Adventur team and the wheels for all cycling group.		usually have access to. The pupils were able to challenge themselves and many had a clear sense of achievement. Staff feedback was supportive of the event and the outcomes for the pupils in Primary.	
To improve PE resources and replace worn and damaged equipment.	£630	PE resources have been audited and where appropriate, renewed. Additional equipment has been purchased to enhance the participation of a diverse range of pupils needs.	Whole school.
To promote cycling and physical activity for life by the purchase of bikes and scooters for the primary playground. Some bikes and scooters need replacing due to being very old and beyond repair.	£900	Pupils across the school were able to access sessions on a range of different bikes both on the school site and in a public space. Additional scooters for the primary department have proved popular and enabled gross motor skills to further develop.	Primary department.
Attend inter school events for those classes whom it is appropriate for including PMLD classes.	Dependent on transport cost/use of external provider or staff cover (£1000 approx).	Pupils took part in a large range of different sporting activities across the school. This increased their contact with pupils from other schools and allowed them to engage in sporting activities.	Whole school.
CPD- PE coordinator to meet with school sports partner to create, extend and modify planning and resources.	Cover costs £400 approx.	Teachers skills develop and PE curriculum development. Support with the involvement in the School Sports Partnership events.	Whole school.

<p>This will be on-going into 2017 and beyond. Improved links bring improved opportunities.</p>		<p>This has had an impact on the PE coordinator, teacher and pupils as more events were organised to meet the needs of our pupils. Also an effective working relationship has developed between the PE coordinator and staff at other schools. This will continue into 2016/17.</p>	
<p>To purchase PE kit for students to use on external sporting events (KS1,2,3,4&5). To enable pupils to access sporting activities without prejudice for all future events.</p>	<p>£250</p>	<p>Pupils are now able to access sporting events appropriately dressed.</p>	<p>Whole school.</p>
<p>To provide relevant CPD to staff. Sherbourne training. To improve staff knowledge and understanding of the topic area and therefore increase confidence when delivering lessons.</p>	<p>£500 (plus travel and accommodation costs).</p>	<p>Many staff members have had Sherbourne training and this has impacted upon PE sessions especially, but not exclusively, in the PMLD classes.</p>	<p>Whole school.</p>
<p>To provide medal for sporting involvement to each pupil.</p>	<p>£250</p>	<p>All pupils who took part in sports day received a medal.</p>	<p>Whole school.</p>
<p>Total budget</p>	<p>£8200</p>		
<p>Total spend</p>	<p>£8241</p>
